Correction to: Hypoxemia in the ICU: prevalence, treatment, and outcome

SRLF Trial Group*

**Correction to: SRLF Trial Group
Ann. Intensive Care (2018) 8:82
<https://doi.org/10.1186/s13613-018-0424-4>**

Following publication of the original article [1], we have been notified that only the 11 members of the writing committee are listed as the collaborators of the SRLF Trial group.

In this correction article, all members of the SRLF Trial group are now correctly shown in the collaborator list and all members are listed in Additional file 1 for reference. The online and pdf versions of this paper are not affected by the change.

The published apologizes for any inconvenience caused by this error.

Additional file

Additional file 1: Table S1. List of contributors; **Table S2.** Patients' characteristics according to the presence of hypoxemia; **Table S3.** ARDS exclusion criteria among patients with bilateral infiltrates; **Table S4.** ICU mortality according to ventilator support and hypoxemia class; **Table S5.** Univariate analysis of variables associated with mortality in hypoxemic patients; **Table S6.** aHRs of PaO₂/FIO₂ banding in different sensitivity analyses; **Figure S1.** Evolution of oxygen support after the day of study.
